**Section 1.** An employee will not be disciplined or discharged without just cause. In each case where disciplinary action is taken, the employee will be given a written statement of the charges against him as well as the disciplinary action to be taken.

**Section 2.** For the purpose of this Article, the parties agree that disciplinary matters are of the utmost concern and Bargaining Unit employees shall be afforded the opportunity of rapid, fair and equitable appeal procedures. In this connection, Bargaining Unit employees shall have the option of utilizing the Authority Grievance Procedure or the negotiated grievance procedure contained in this Agreement, but not both.

**Section 3.** All employees are subject to the rules and regulations of the Authority except where this agreement takes precedence.

**Section 4.** No discipline by suspension shall be administered against any employee which will permanently impair his/[her](#) seniority.

**Section 5.** Any complaint from the public or an employee which does not contain the name, address and phone number of the complainant shall not be used against an employee for disciplinary actions.

**Section 6.** In the event an employee is summoned to meet with his/[her](#) ~~supervisor~~-[Manager](#) and believes that disciplinary action may be taken against him/[her](#), he/[she](#) shall have the right to have a Union representative present during the meeting.

**Section 7.** In imposing any disciplinary measures on a current charge, the ~~supervisor~~-[Manager](#) will not take into consideration any prior infractions of the Authority Rules and Regulations which occurred more than thirty-six (36) months previously, for infractions resulting in a suspension and eighteen (18) months previously for all other infractions.

ARTICLE 20 – SAFETY AND HEALTH

**Section 1.** The Authority will make every effort to provide and maintain safe and healthful conditions for employees. To this extent, the Union will cooperate and encourage employees to work in a safe manner and abide by all laws and regulations related to safety and health, including observance of No Smoking in restricted areas. Individual employees or the Union may provide written complaints or recommendations with respect to unsafe or unhealthy conditions within their work environment. Within ten (10) weekdays from the receipt of such written complaint or recommendation, the Department Director shall provide the employee and/or the Union with a written response concerning the disposition of all written complaints or recommendations.

**Section 2.** The Authority will provide proper and necessary safety equipment and devices for employees engaged in work where such special equipment and devices are determined to be necessary through mutual agreement between the Union and Management. Where such equipment and devices are provided, the employees must use them. All safety equipment shall be kept in proper working order.

**Section 3.** The Authority shall pay all traffic citations issued to employees while operating an Authority owned vehicle if the citation is issued for proven mechanical defects. **Section 4.** Employees will be provided with bump hats or safety helmets, work gloves and other protective clothing where such items are needed to protect the employees in the conduct of their duties.

**Section 5.** In the event an employee leaves the employ of his/her department or leaves the Authority, he shall return all items of issue that were furnished by the Authority.

**Section 6.** An employee's first (1<sup>st</sup>) chargeable/preventable vehicular accident within a twelve (12) month period will require an in-house Defensive Driving Course (DDC). An employee's second (2<sup>nd</sup>) chargeable/preventable vehicular accident within a twelve (12) month period will require Smith System course instruction. All in-house retraining will be scheduled on the employee's regular time off and such training shall not exceed eight (8) hours in duration. Employees shall be paid their straight rate of pay for such training unless otherwise provided for by the Fair Labor Standards laws.

A third (3<sup>rd</sup>) chargeable/preventable accident incurred by an employee within the specified twelve (12) month period shall be cause for discipline up to and including termination. An employee will be notified in writing that the employee is being charged with a chargeable/preventable accident no later than ten (10) week days from the completion and submittal to PSTA of an Incident Report by the employee or PSTA's receipt of the employee's response to an original complaint. If a complaint is filed after the submittal of an Incident Report, the ~~ten-day~~ ten-day period will begin to run upon PSTA's receipt of the employee's response to the complaint. If such notice is not provided within that time frame, an employee may not be charged with a chargeable/preventable accident.

**Section 7.** Two minor accidents which are found to be preventable shall equal one preventable/chargeable for the purposes of disciplinary action as defined in Section 6 of this article.
