ARTICLE 3

PROHIBITION OF STRIKES AND LOCKOUTS

Section 3.1 – Strike Prohibition

The Union agrees that neither it nor its members shall participate in a strike against the Board and/or the College by instigating, encouraging or supporting in any manner a strike. "Strike" means the concerted failure of employees to report for duty; the concerted absence of employees from their positions; the concerted stoppage of work by employees; the concerted failure of employees to report to work after the expiration of this Agreement; the concerted submission of resignations by employees; the concerted abstinence in whole or in part by any group of employees from the full and faithful performance of the duties of employment for the purpose of: (1) inducing, influencing, condoning or coercing a change in the terms and conditions of employment or the rights, privileges or obligations of public employment; or (2) supporting a position relating to the interpretation of this Agreement. The term "strike" shall also mean any overt preparation, including, but not limited to, the establishment of strike funds with regard to the above- listed activities and picketing in furtherance of a work stoppage.

Section 3.2 – Union Response to Strike

The Union further agrees that it will do everything in its power to prevent its members from engaging in a strike and that in the event a strike does occur, the Union will use all available means to effectuate a cessation of the strike activity.

Section 3.3 – Remedies

It is expressly agreed and understood that in the event of a strike the Board and/or College may, in addition to other remedies available to it under law, petition a court of competent jurisdiction for appropriate injunctive relief.

Section 3.4 – Lock-Out Prohibition

The College agrees not to lock out employees.

ARTICLE 4
NON-DISCRIMINATION

Section 4.1 – Union Activity

Neither the College nor the Union shall discriminate against any employee covered by this Agreement because of Union membership or non-membership, or activity in support of or opposition to the Union. This Section does not apply to the Union's right to refuse to represent non-members in the Grievance and Arbitration Procedure.

Section 4.2 – General

The College agrees, to the extent discrimination is prohibited by and defined in applicable federal or state law, it will not discriminate against employees based on race, color, religion, national origin, sex, age, disability, marital status or veteran status. The parties also agree not to discriminate on the basis of sexual orientation. It is the intent of the parties that any employee alleging discrimination under this Section will have a choice of remedy, *i.e.*, under the applicable federal or state statutes or under the Grievance and Arbitration Procedure under this contract, but not under both. By filing a charge with the applicable state or federal agency, the employee and the Union on behalf of the employee waive the right to file a grievance under this contract. If already filed, the grievance shall be dismissed.

Grievances alleging a violation of this Section will be filed with the Office of Institutional Equity, or if filed under Step 2 of the Grievance Procedure (Article 9.5, Step 2), will be referred to the Office of Institutional Equity for investigation. To be considered a

grievance under Article 9, it must be filed within the time limits established in Article 9.

Once the investigation is complete, a written response will be given to the grievant. The grievant may request arbitration under Article 9.5, Step 5 within ten days of the date the response was received. If no response has been received within 90 calendar days following receipt of the grievance by the Office of Institutional Equity, the grievant may withdraw his/her grievance and request arbitration under Article 9.5, Step 5, within ten days of the request to withdraw.

ARTICLE 5**MANAGEMENT RIGHTS****Section 5.1 – Reserved Rights**

The management of the College and the direction of its workforce, including but not limited to the exclusive rights: to determine whether all or any part of the operations covered by this Agreement shall commence, cease, continue, reduce or increase; to transfer an operation or any part thereof from one campus to another; to establish new jobs; to abolish or change existing jobs; to increase or decrease the number of jobs or employees; to introduce or change existing equipment, services or facilities; to assign work to be performed; to create or abolish shifts; to require employees to work overtime; to establish and change hiring procedures; to set the work schedules; to transfer employees from job to job, to a shift or a campus to another job, shift and/or campus, either on a permanent or temporary basis; to evaluate and direct the work of the employees covered by this Agreement; to maintain, enforce, rescind or change College policies, practices, procedures or rules of conduct; to establish the standards of conduct and work of employees; to discipline or discharge employees for just cause; to lay off employees as

determined by the Board; to establish requirements for employment; to promote and demote employees; and to have complete authority to exercise those rights and powers incidental to each of the rights reserved to management, including the right to alter or vary past practices as the College may determine to be necessary for the orderly and efficient operation of the College, shall be vested exclusively in the College, subject only to such restrictions governing the exercise of these rights as are expressly and specifically provided in this Agreement.

The College's failure to exercise any right hereby reserved to it or its exercising any right in a particular way shall not be deemed a waiver of its right to exercise such right nor preclude the College from exercising the same right in some other way not in conflict with the express provisions of this Agreement.

Section 5.3 – Civil Emergency

If, in the sole discretion of the College President, it is determined that a civil emergency condition exists, including but not limited to riots, civil disorders, hurricane conditions or other catastrophes, the provisions of this Agreement may be suspended by the College President during the time of the declared emergency, provided that wage rates and monetary fringe benefits shall not be suspended. The College will notify the Union Office as soon as practical.

Section 5.4 – Incidental Duties

It is understood by the parties that every incidental duty connected with the operations enumerated in job descriptions is not always specifically described and employees, at the discretion of management, may be required to perform other College

related duties not specifically contained in their job description. However, it is also understood that employees will normally be assigned duties that are consistent with the functions listed in their job description.

Section 5.5 – Notice

In the spirit of continued harmonious relations between the Union, the employees and the College, the College agrees to provide notice to the Union electronically of any new or proposed change in Administrative Policies or Procedures of general application 14 calendar days prior to implementation, which would affect members of the bargaining unit. Upon request, the parties will negotiate as required by law. Consistent with sound management practice, the College may implement the proposed change while impact negotiations are pending under Section 5.6, to the extent permitted by Florida law.

Section 5.6 – Impact Bargaining

Nothing contained in this Management Rights Article shall be interpreted as a waiver of the College's obligation, if any, to bargain over the impact of the exercise of management rights on wages, hours and terms and conditions of employment, to the extent such obligation exists at the time of the change or proposed changes under Florida Statutes Chapter 447 and applicable case law. A request to bargain impact under this Section must identify the negotiable effects of the changes upon the terms and conditions of employment of the impacted employees and be received within fourteen (14) calendar days of the notice under Section 5.5, or if no notice is given, within fourteen (14) calendar days of the date a Union representative became aware of such changes shall be considered timely. Such bargaining shall proceed within ten (10) days of request. The

College may implement any such changes prior to the exhaustion of the impasse procedure, to the extent permitted by Florida law.

ARTICLE 6

Every employee of the College, both in and out of the bargaining unit, shall be treated with respect and dignity in the workplace. The College, Union and employees are mutually responsible for a dignified and respectful workplace.

Harassment of any employee of the College is prohibited per current HCC Administrative Rule which is fully incorporated into this Agreement. Harassment is understood to not only include instances of sexual harassment, but any type of behavior prohibited by this Administrative Rule.

Section 6.2 – Union Representation

A. Representation of employees by the Union in each of the three separate bargaining units shall be governed by the provisions of Section 447, *Florida Statutes*, as amended.

B. Employees have the right to request the assistance of a recognized Union steward in the following situations:

the Director of Risk Management or designee will also be called.

4. Where the employee's locker or desk is to be searched by representatives of the Board, provided a steward from the Campus must be immediately available; and

5. Where the employee is being ordered to take a drug test, provided a steward from the Campus must be immediately available.

C. When an employee requests Union representation under this Section, except as provided in Section 6.2(B) (4) or (5), no disciplinary action shall be taken until a Union representative is present. The employee's entitlement to a steward under this Section is to the availability of a Union steward, not necessarily the Union steward of the employee's choice. Nothing in this Section will prevent the College from suspending an employee with or without pay pending the availability of a Union representative. An employee may request the presence of a Local or SEIU representative; *provided that*, there will be no delay in any meeting or disciplinary action while waiting for such representative to arrive.

Section 6.3 – Indemnity

Employees will be indemnified for any legal fees incurred and judgments entered against them as provided in state law and as interpreted by the courts.

guaranteed by the Constitution of the United States of America and the State of Florida.

B. The rights of all employees to work and to vote for the party, candidates and referendum issues of their choice shall never be questioned, abridged or denied.

C. The Board or their designee(s) are prohibited from asking any employee to make a political contribution, to assist a political candidate or issue or to take any action in relation to a political candidate, campaign or issue where the employee's failure to do so as asked will in any way affect his/her status as an employee of the Board.

Section 6.5 – Privacy

The following rules shall apply to employee personnel files:

A. No formal disciplinary document shall be placed in an employee's personnel file until it has been shown to the employee and the employee has signed the document to show that he/she had a chance to read the document. If the employee refuses to sign, where possible it shall be so noted on the document in the presence of the affected employee and a copy provided to the employee thereafter.

B. An employee shall have the right to review all documents contained in his/her own official personnel file (and in all of an employee's personnel files maintained by an administrator or other supervisor), whether or not such documents are subject to public disclosure under state law.

C. An employee shall not be charged for photocopying of any document in his/her own personnel file.

the general public.

Each steward shall be assigned to represent a designated group of employees, but shall be authorized to represent any employee should the need arise. The College will have no obligation to deal with individuals identifying themselves as stewards or representatives who are not on the list submitted by the Union. The Union shall notify the College in writing of changes in a timely manner.

B. The Union agrees to indemnify and save the Board harmless against any and all claims, suits or other forms of liability arising out of the deduction of money for Union dues, COPE deductions and uniform assessments from employees' pay. The Union assumes full responsibility for the disposition of the monies so deducted once they have been turned over to the properly designated official of the Union.

H. The Union will pay a sum of \$180 annually to the College to be used to offset their cost in providing "All College Day" or another like event which benefits all HCC-SEIU bargaining unit members.

ARTICLE 9**GRIEVANCE AND ARBITRATION PROCEDURE****Section 9.1 – Purpose**

In a mutual effort to provide a harmonious working relationship between the parties to this Agreement, it is agreed to and understood by both parties that there shall be a procedure for the resolution of grievances between the parties arising from any alleged violation of a specific term of this Agreement.

Section 9.2 – Definition of Grievance

For the purpose of this Agreement, a grievance is defined as a dispute, claim or complaint that any current employee or group of current employees may have as to the interpretation, application, and/or alleged violation of some express provision of this Agreement which is subject to the Grievance Procedure.

Section 9.3 – Representatives

All employees shall have the right of Union representation at each step of the grievance procedure, if they desire and the Union agrees. If a bargaining unit employee desires Union representation, and the Union agrees to represent the grievant, no grievant will be required to discuss any grievance if a Union representative is not present.

Nothing in this Agreement shall be construed to prevent any employee from presenting, at any time, his/her own grievance in person or by a representative to the College and having such grievance adjusted without the intervention of the bargaining agent; provided the adjustment is not inconsistent with the terms of this Agreement.

Section 9.4 – Effect of Time Limits

A. The failure of the grievant and/or Union to proceed from one step of the grievance procedure to the next step within the time limits set forth herein shall be deemed to be a waiver of the grievance and shall constitute a waiver of all future appeals concerning the particular grievance.

B. The failure on the part of any College representative to render a decision on the grievance within the time limits set forth in this Agreement shall operate as a denial of the grievance, and entitle the employee to proceed to the next step.

C. All time limits may be extended by mutual written agreement.

D. The parties agree it is important that grievances be processed as rapidly as possible. The number of days indicated at each level is to be considered the maximum and every effort shall be made to expedite the process before the deadlines are reached.

E. The day the grievant knew or should have known of the occurrence on which a grievance is based shall be counted as the first day. Actions or responses required shall be taken any time before the close of the grievant's regular workday on the last day of any time limit or extension thereof.

Section 9.5 – Grievance Procedure

Any grievance arising under this Agreement shall be processed, with or without Union representation, through the procedures as outlined herein until resolution is reached or the grievance is waived. A grievance may be withdrawn at any level. Failure of a grievant to show or to support the claim, except in the case of a documented emergency, shall operate as if the grievant abandoned the grievance and the College shall have no

obligation thereafter to process the grievance through the steps of the grievance procedure, including arbitration.

By mutual written consent, the parties may agree to bypass any step in this procedure. A grievance shall be processed as follows:

STEP 1: In the event that an employee believes there is a basis for a grievance, the grievant is encouraged to first meet informally with his immediate supervisor. The purpose of this meeting shall be to provide an opportunity for both parties, the grievant and the supervisor, to discuss the situation, share all pertinent information, and to reach resolution to the situation. A Union representative shall have the right to be present at this discussion.

STEP 2: In order to be deemed timely, a written grievance (except grievances involving suspension or termination) must be delivered in person, (in which case the date of receipt will be written or stamped on the grievance), or by email, to the appropriate Campus Dean or Director, with a copy to the Executive Director of Human Resources or designee, within ten (10) business days after the grievant knew or should have known of the occurrence on which the grievance is based. The failure of any employee to meet this time limit shall render the grievance moot, and the College shall have no obligation thereafter to process the grievance through the steps of the grievance procedure, including arbitration.

The written grievance must contain the following information: (1) the date of the occurrence of the alleged grievance; (2) the contract Article(s) and specific sections of the Article allegedly violated; (3) a detailed description of how they were violated; (4) the remedy or correction requested; and (5) the signature of the grieving party. In the event the grievant's signature cannot be obtained in order to file the grievance in a

timely fashion, the Union may sign for the grievant; provided, however, that the grievant's signature must be submitted before the Campus Dean, Director or designee is required to have a meeting with the grievant under this Step.

The Campus Dean, Director or designee, the grievant and a Union representative(s) shall meet to discuss the grievance within ten (10) business days after the Campus Dean or Director receives the written grievance.

The Campus Dean, Director, or designee shall issue a written reply to the grievant within ten (10) business days after the Step 2 meeting.

STEP 3: If the Union or aggrieved employee is not satisfied with the response of the Campus Dean, Director or designee, the written grievance shall be presented to the Campus President or appropriate Vice President, in person (in which case the date of receipt will be written or stamped on the grievance), or by email within ten (10) business days after receipt of the written decision of the Campus Dean/Director/designee.

The Campus President, appropriate Vice President or designee, the grievant and a Union representative(s) shall meet to discuss the grievance within ten (10) business days after the Campus President, appropriate Vice President or designee receives the written grievance.

The Campus President, appropriate Vice President, or designee shall issue a written reply to the grievance within ten (10) business days after the Step 3 meeting.

STEP 4: If the Union or aggrieved employee is not satisfied with the response of the Campus President, appropriate Vice President or designee, the grievance shall be presented in writing to the Executive Director of Human Resources, either in person (in which case the date of receipt will be written or stamped on the grievance) or by email, within ten (10) business days after receipt of the written decision of the Campus

President, appropriate Vice President or designee.

The Executive Director of Human Resources, the grievant and a Union representative(s) shall meet to discuss the grievance within ten (10) business days after the Executive Director of Human Resources receives the written grievance.

The Executive Director of Human Resources shall issue a written reply to the grievance within ten (10) business days after the Step 4 meeting, which shall contain a reasonably complete explanation if the grievance is denied.

STEP 5: If a grievance, as defined in this Article, has not been satisfactorily resolved within the grievance procedures, the Union or aggrieved employee may request mediation by advising the Executive Director of Human Resources in writing of the intent to mediate no later than twenty (20) business days after the response is received, under Step 4 above. The request will be made by email or hand-delivery (in which case the date of receipt will be written or stamped on the grievance).

STEP 6: If the mediation, as defined in this Article, has not been satisfactorily resolved within the grievance procedures, the Union or aggrieved employee may request arbitration by advising the Executive Director of Human Resources in writing of the intent to arbitrate no later than twenty (20) business days after the response is received, under Step 4 above. The request will be made by email , or hand-delivery (in which case the date of receipt will be written or stamped on the grievance).

Whenever the Union or the aggrieved employee, if not represented by the Union, requests arbitration, they shall request the Federal Mediation and Conciliation Service (FMCS) to submit a panel of seven (7) arbitrators. Once the list is received from FMCS, the Union or aggrieved employee if not represented by the Union shall notify the Executive

Director of Human Resources of their receipt of the list. Within ten (10) business days of such notification, the Union and the College will select an arbitrator from the list by agreement, or by alternatively striking names from the list until the last name is reached. The party seeking arbitration shall strike first.

Section 9.6 - Arbitration

- A. Powers and Authority of the Arbitrator – It shall be the function of the arbitrator, and he shall be empowered, except as his powers are limited below, to make a decision in cases of alleged violation of the specific Articles and Sections of this Agreement. The arbitrator shall have no power to change any policy or rule of the Board or College, nor to substitute his judgment for that of the Board or College as to the reasonableness of such policy or rule. The arbitrator shall not have the authority to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement. If either party disputes the arbitrability of any grievance under the terms of this Agreement, the arbitrator shall be presented with and decide that issue at the outset of the hearing and shall decide if the grievance is arbitrable, subject to judicial review in accordance with law. The arbitrator may hear more than one (1) grievance at a time by mutual consent of the parties. The arbitrator shall have no authority to consider or rule upon any matter which is not a grievance as defined in this Agreement. The discipline, suspension, or termination of an employee who has been employed less than the full length of their initial probationary period shall not be made the subject of a grievance.
- B. Hearing – In all disciplinary cases at arbitration, the College shall have the

burden of proof by the preponderance of the evidence. In all non-disciplinary cases at arbitration, the grievant and/or Union shall have the burden of proof by the preponderance of the evidence. The hearing shall be conducted in accordance with the rules of the Federal Mediation and Conciliation Service.

- C. Suspension or Termination – Any grievance involving suspension or termination must be filed within ten (10) business days of the suspension or termination with the Executive Director of Human Resources, or designee, at Step 4. The ten (10) business day period will begin to run at the time the employee is given notice of the decision to suspend or terminate. The employee shall have the option of filing a grievance under this section or filing for an appeal under the College Rules and Regulations. However, once the employee elects the procedure to be used, the alternative procedure will no longer be available to the employee.
- D. Settlement – The Union, or an employee filing his/her own grievance, may abandon or settle a grievance. Grievances settled prior to an arbitrator's decision under this Article shall be non-precedent setting and cannot be offered as evidence or precedent in any subsequent arbitration case unless the Union and the College mutually agree in writing that the grievance is precedent setting.
- E. Processing Grievances – When meeting with College representatives to process a grievance during regular work hours, the Union steward shall notify his manager of the time that such meeting will begin and shall report back to work immediately after the end of such meeting. While attending such

meetings, the steward shall suffer no loss of pay and shall not be required to use accumulated leave. The steward shall not be compensated for attending such meetings outside of his or her regular work time.

- F. No Amendments – No grievance can be amended or supplemented after the College's response at Step 4 without the written consent of the Executive Director of Human Resources.
- G. Power – The arbitrator shall have no power to establish wage scales, rates of pay for new jobs, or to change any wage, except if he is specifically empowered to do so by both parties.
- H. Grievance to Comply With Contract – The arbitrator shall have only the power to rule on grievances arising under this Agreement, as defined under Section 9.2 and which comply with the requirements of Section 9.5, Step 2, and the time limits established under Section 9.4 of this Article.
- I. Submission Agreement – The arbitrator shall determine each dispute in accordance with the terms of this Agreement and in accordance with a Submission Agreement, if one can be agreed to. If there is no Submission Agreement, then the arbitrator will rely on the grievance as described under Section 9.5, Step 2 or as amended under Section 9.6(F).
- J. Decision and Award – The arbitrator may not issue declaratory or advisory opinions and shall confine him or herself exclusively to the question which is presented. The arbitrator shall issue a Decision and Award within thirty (30) calendar days from delivery of the briefs. The arbitrator's decision will be in

writing and will set forth findings of fact, reasoning and conclusions on the issues. The decision of the arbitrator shall be final and binding on all parties, subject to appeal pursuant to applicable provisions of law.

- K. Back Pay – In any case where an individual grievant or several grievants are found by the arbitrator to be entitled to back pay, the amount of compensation awarded shall not exceed the amount of wages the employee would have earned at his or her regular rate of pay, less any unemployment compensation or earnings after suspension or termination by the College/Board, as appropriate; provided, however, that the amount of back pay awarded shall not be reduced by compensation earned by the grievant from the grievant's "normal" second job during the period of time he was on suspension or discharge. No interest, costs or other damages may be awarded.

Section 9.7 – Costs of Arbitration

The costs of the arbitration shall be paid by the losing party. Each side desiring a transcript will pay for it. If both parties obtain or use a copy of the transcript, the cost of the court reporter's fees and transcript shall be equally split between the parties. Expenses, including wages for witnesses, shall be borne by the party calling them.

Section 9.8 – Class Action Grievances

The Union has the right to file a class action grievance on behalf of two or more bargaining unit employees of the same class. In order to constitute a class action grievance, the employees involved must all have common duties, functions and responsibilities, and all must have the same grounds for the grievance. Class action

grievances shall be initiated at Step 3.

ARTICLE 10

SENIORITY

Section 10.1 – Definition

An employee's seniority shall be his or her length of continuous service in a regular full-time position with the College. Seniority shall be College-wide and in the event two or more employees have the same date of hire, seniority shall be determined by date of initial application upon which the hiring was based.

Section 10.2 – Breaks in Service

The following events shall constitute a break in continuous service and an employee shall lose all accumulated seniority rights:

- A. Resignation;
- B. Retirement;
- C. Discharge without reinstatement following an appeal;
- D. Leave without pay status for more than one (1) calendar year;
- E. Continuous lay-off status, without recall, for more than one (1) calendar year;

or failure to return to work on the date designated in a notification to return for work following lay-off, provided that a minimum notice to return to work of fifteen (15) business days shall be given. Such notification to return to work shall be by certified- return-receipt-requested mail addressed to his/her last known address as shown in the College's record, and electronically if a personal email address is known.

In the event that an employee is permitted to return to work from a leave of absence

of more than one year or is rehired after losing recall rights, the employee shall be credited with the seniority earned up until the event occurred and shall begin earning seniority again immediately upon return to work.

Section 10.3 – Probation

Employees shall not exercise seniority until they have completed their initial probationary period, which is six (6) months for Exempt (salaried) employees; and four (4) months for Non-exempt (hourly) employees. During the initial four- or six-month period, any disciplinary action taken against the probationary employee which would entitle a regular employee to arbitration under this Agreement shall not entitle the probationary employee to arbitration. Probationary employees are entitled to Union representation as outlined in Article 6, *Employee Rights*.

Section 10.4 – Public Safety Officers Shift Biddingⁱ

A. Public Safety Officers shall be allowed to bid their shifts by seniority once each calendar year during November. Management shall post the annual shifts for bid on or before November 7. Shifts shall be awarded, by seniority, on December 1.

B. When a shift becomes available during the calendar year, management shall post the shift five (5) days after it becomes open and bidding shall occur five (5) days after posting. The shift shall be filled with the Public Safety Officer having the most seniority. The vacancy created by the successful bidder shall then be filled using the same bid process previously described. However, the number of bids shall be limited to two (2) per year. Any

additional openings created may then be filled by the College. Employees may bid on

vacancies no more than two (2) times in a calendar year.

C. Absent officers may use union stewards as proxies to bid for either annual or open positions.

D. There shall be no bidding for shifts or vacancies for Lead Public Safety Officers,

ARTICLE 11

VACANCIES, PROMOTIONS AND TRANSFERS

Section 11.1 – Vacancies, Demotions and Transfers

A. Vacancy – A vacancy is defined as a newly-created bargaining unit position or a bargaining unit position that has been permanently vacated by an employee provided the position has not been eliminated. This Article does not apply to vacancies that occur as a result of an employee taking a leave of absence as defined in Article 15 of this Agreement.

B. Promotion – A promotion is defined as the movement of an employee from one job classification in a bargaining unit to another job classification in one of the three bargaining units that carries a higher job grade.

C. Lateral Transfer – A lateral transfer is defined as: (1) the movement of an employee from one work location/department to another work location or department within a bargaining unit without changing job classification; or (2) movement from one job classification to a different job classification in the same job grade in the same or different work location or department within a bargaining unit.

D. Demotion – A demotion is defined as the movement by the College of an employee from one job classification to another classification that carries a lower pay grade. A demotion may be for either a disciplinary or non-disciplinary reason. If for a disciplinary reason, the cause for the demotion is subject to the grievance and arbitration procedure. Employees demoted for non-disciplinary reasons shall suffer no reduction in pay unless the employee's current pay exceeds the maximum specified rate for the new

position. In this case, the employee's pay will be reduced to the maximum rate for the new job classification. Employees demoted for disciplinary reasons or who take a voluntary demotion will have their pay decreased by compa-ratio (i.e. comparative placement in the new pay grade). No employee shall suffer a reduction of 50% or more of their current pay.

Section 11.2 – Vacancy Announcements

A. When the College determines a vacancy exists, the Human Resources Department shall electronically post such vacancies for a minimum of five (5) working days. All vacancy announcements shall contain the following information: the date the vacancy was electronically posted, job title, minimum hourly pay, worksite location, position number, minimum qualifications based upon the class specification, any bona fide preferred qualifications, and the deadline for submitting an application for the vacant position. General class specifications and more specific position descriptions shall be readily available through the Human Resources Department. Electronically posted means posting on the website.

B. In order to be considered for a position, employees apply to the electronic posting of a vacancy by the published deadline. Employees should include an updated employment application, current resume, or other pertinent job-related information the applicant would like to have considered by the application deadline to be eligible to apply for a position, the employee must have successfully passed the four or six month probationary period for his/her current position at the time the application is made.

Section 11.3 – Selection and Temporary Transfers

A. The determination of whether an employee or outside applicant and which employee or applicant will fill a vacancy will be at the College's discretion.

B. Employees selected to fill a vacancy that results in promotion shall have their base rate increased to the minimum of the new classification's pay grade, or a minimum of six percent (6%) rounded up to the nearest step, whichever is greater, not to exceed the maximum of the pay grade. An employee may receive up to four steps above the minimum or above their current salary, based upon education, prior relevant experience and internal equity, with approval of the appropriate Cabinet Member and Human Resources. Any increase in excess of four steps must be approved by the College President.

C. Employees selected to fill a vacancy that results in a lateral transfer may, upon recommendation of the appropriate Cabinet Member and approval of the College President, receive a two step increase in their base rate. The College President may grant an increase in excess of two steps to their base rate. It is understood that the granting of an increase under this Section is within the discretion of the College.

Deleted: five percent (5%)

Deleted: five percent (5%)

D. Nothing in this Article will prevent the College from temporarily assigning an employee to a vacant position or from laterally transferring employees. Normally, a temporary assignment to a vacant position will not exceed six (6) months. Effective the date of temporary assignment of an employee to a vacant position in a higher job grade, the rate will be increased to the minimum of the higher grade or six percent (6%) rounded up to the nearest step, whichever is greater, not to exceed the maximum of the higher grade. An increase in excess of six percent (6%) rounded up to the nearest steps is within the discretion of the College. An employee temporarily assigned to a vacant position in a lower job grade will continue to receive his/her regular rate and any pay increases they

would have received if they had not been temporarily transferred. When the temporary assignment to a higher classification is terminated, the employee's pay rate will be readjusted to the rate received prior to the temporary assignment, including pay increases the employee would have received had the employee not been transferred.

Employees who believe they are performing fifty percent (50%) or more of their duties in a higher classification on a regular basis may request a position audit be performed by the Human Resources Department

Section 11.4 – Probation Upon Accepting A New Position

A. An employee accepting a new position (whether by promotion, lateral move or voluntary demotion) will be on probation for four (4) or six (6) months. If, in the opinion of the College, the employee fails to successfully complete the probationary period for the new position, the employee will be:

1. Offered his or her prior position if it has not been filled.
2. If the employee's prior position has been filled and a vacancy in the same classification as the employee held prior to the promotion exists for which the employee is fully qualified at the time of return, the employee will be offered the vacant position. If an employee returns to his or her prior classification under options (1) or (2) above, the employee's pay rate will be readjusted to the rate received prior to promotion, including any increases that the employee would have received had the employee not been promoted.
3. If the employee does not qualify under options (1) or (2) above, then the employee shall be offered any vacant position with the College for which, in the opinion of the College, the employee is qualified.

4. If no vacancy exists that meets the criteria above, the employee shall be placed on layoff status and be subject to recall to the classification occupied prior to promotion, provided the employee has retained the necessary licenses and certifications, if any. If an employee was grandfathered into a classification as a result of a salary study, without having the degree or other licenses or certifications required for the position, such degree, licenses or certification will not be required under this Section.

Article 12**PERSONNEL REDUCTION****Section 12.1 – Reduction**

A. In the event of a reduction in force, a surplus will be declared by classification(s) as determined appropriate by the College. All temporary employees and employees on initial probationary status in the affected classification(s) will be laid off before regular full-time employees in the affected classification(s). After laying off all temporary employees and employees in their initial probation period in the job classification(s), volunteers will be solicited among regular full-time employees in the affected classifications. If there are more volunteers than the number of positions that need to be reduced, then the College will lay off from among the volunteers by seniority beginning with the most senior volunteer. If, after laying off all volunteers the number of positions in the job classification(s) still needs to be reduced, the College shall lay off regular full-time employees considering the following:

1. Training and experience;
2. Employee's overall disciplinary record;
3. Performance evaluations within current classification.
4. Seniority.

As between two employees in the affected classification(s), if in the discretion of the College the above factors are relatively equal, then seniority shall prevail.

B. HCC will notify the Union no fewer than thirty (30) calendar days in advance of a pending lay off action of employees covered by this Agreement. Within seven (7) days

of the notification to the Union,

the parties also agree to discuss placement opportunities for laid off employees to open positions for which they are qualified.

Section 12.2 – Grant Funded Employees

If the reduction in force is in a program funded wholly or in part by a grant(s), the College can in its discretion, limit those considered for a reduction in force to those assigned to the grant and/or those who are being paid in whole or in part by the affected grant funds.

Section 12.3 – Recall

Recall will be in reverse order of layoffs. No new bargaining unit employees will be hired by the College within a classification until all members of the respective bargaining unit in that classification who were laid off in the prior twelve (12) months are offered recall, provided the employee has all required licenses, certifications and degree. If an employee was grandfathered into a classification as a result of [a salary study](#) without having the degree or other licenses or certification required for the position, such degree, licenses or certifications will not be required upon recall.

B. The normal work day is 7.5 hours. The normal work week is five (5) consecutive days. The College may, within ten (10) calendar days' written notice to the Union and to the affected employees, modify the normal work day to not less than four (4) hours nor more than ten (10) hours. The College, upon ten (10) day's written notice to the Union and the affected employees, may modify the work week to five (5) non-consecutive days or to four (4) consecutive days. It is recognized that one or more employee classifications covered by this Agreement are working a schedule other than five (5) consecutive days at the time of the execution of this Agreement.

C. Normally, employees shall receive two (2) fifteen-minute paid breaks during the work day and an unpaid one-hour lunch. These breaks shall normally be duty-free. If the employee works during his/her regularly scheduled break or lunch break, the employee will be scheduled to take the missed breaks prior to the end of the shift. If the lunch break is missed and not rescheduled, it will be paid.

B. All newly-hired employees will be paid no less than the minimum rate for their pay grade. New employees may be paid up to ten percent (10%) above the minimum, based on education and prior relevant experience, with prior approval of the appropriate Cabinet Member. Whether the education and prior relevant experience justifies pay above minimum will be determined by the Human Resources Department Under extraordinary circumstances, when qualified employees cannot be found because of inability to meet market salaries, the College President may authorize additional compensation.

C. Nothing set forth in this Article is intended, nor shall it cause, a decrease in the salary currently being paid to any employee.

D. In the event the Board decides to initiate a salary study the parties will establish a Joint Committee. This committee will have two (2) co-chairs, one appointed by the Union, one appointed by the Board. The committee will include an equal number of

College and Union-appointed members.

E. Employees will receive a pay increase that is the equivalent of one step on the staff salary schedule effective July 3, 2023. To be eligible, employees must have been employed at the College in a full-time role on or before December 31, 2022. I. Employees whose positions are funded in whole or in part by a grant will receive an increase to the extent an increase is provided in and funded by the grant and as otherwise provided by this Agreement. College employees applying for grant extensions will be encouraged to include sufficient funds in the grant for anticipated future wage

increases.

J. If unsatisfactory evaluations reach a level of 5% or more of the bargaining units, the parties agree to meet and discuss factors relating to the increase.

Section 13.5 – Overtime Compensation (Non-Exempt)

A. When a non-exempt (hourly paid) employee actually works in excess of forty (40) hours during the work week, the employee shall be considered to have worked overtime. If payment is received for overtime work, employees shall be compensated at the rate of one-and-one-half (1-1/2) times his/her regular hourly rate for all hours worked in excess of forty (40) hours per work week. Employees shall receive payment for overtime in the same check in which they receive their pay for straight-time work for that same pay period.

B. A non-exempt employee may be granted compensatory time off in lieu of overtime pay. If compensatory time is received for overtime work, employees shall receive one-and-one-half (1-1/2) hours compensatory time for all hours worked in excess of forty

(40) hours per workweek, provided that the maximum accrual of compensatory time is 240 hours.

C. Whether a non-exempt employee receives compensatory time off or payment for overtime work shall be determined by the non-bargaining unit supervisor. The supervisor will make a reasonable effort to accommodate the employee's preference to earn overtime pay or compensatory time off. If compensatory time earned by an employee cannot be scheduled and used by the employee by March 31 of each year, then the compensatory time shall be converted to a cash payment at the pay rate in effect for the employee as of March 31. This shall be included in the check for the first full pay period in April.

D. No employee will have his/her time sheet/time report changed without his/her knowledge.

Section 13.6 – Overtime (Exempt)

The salary of an exempt employee is intended as compensation for all hours worked. Exempt employees may be assigned additional duties which will include, but not be limited to job fairs, catalogue preparation, club sponsorship, recruiting, high school visitation, college nights , and other academic-related duties. It is recognized that the addition of duties to exempt employees may require a more flexible work schedule.

Section 13.7 – Leave

Holidays, vacation, sick leave, College closures and jury or witness duty leave, and

any other leave, whether paid or unpaid, shall not be considered as time worked in computing overtime.

Section 13.8 – Call Back (Non-Exempt)

A non-exempt employee who has left work for the day and who is required to return to work, or who is called in to work on one of his/her days off (*i.e.*, the employee was unaware of the requirement when he/she left work prior to the call-back), shall be paid the applicable straight time/overtime rate of pay from the time the employee leaves for work until the employee returns home, or reasonably could have returned home.

Section 13.9 – College Closing

If the entire College is closed on any day not set forth in this Agreement for an emergency on a short-term basis (5 days or less), non-exempt employees who are relieved from work for the full day will receive seven and one-half (7-1/2) hours of pay for any full day the employee was otherwise scheduled to work. If a College campus is closed for less than a full day for any reason, non-exempt employees who are relieved from work will be paid for all hours they were regularly scheduled to work on that day. Employees may be required to continue working at their assigned location (*e.g.*, security at Dale Mabry Campus during early closing for a football game), or may be reassigned during a partial College or Campus closing, and no “closing” time will be paid under this Section. If the closing is the result of an emergency and the employee is required to work at the otherwise closed facility, the employee will be paid time-and-one-half for all hours worked at the closed facility during that shift, in addition to payment received by non-essential employees. The College shall have the right to require essential personnel to report for

duty during an emergency and shall have the right to assign the work location. Failure to report for duty as assigned shall be grounds for discipline up to and including termination.

Section 13.10 – Pay for All Hours Worked

A. When non-exempt employees are required to attend any event or training outside of their regularly scheduled work hours, attendance at such events or training shall be considered hours worked for overtime purposes and shall be compensated at the appropriate straight time/overtime rate.

B. Non-exempt employees' participation in non-work activities beyond their regular work day (community functions) for which no additional compensation is paid shall be strictly voluntary, and non-participation in such activities shall not be a criterion in any evaluation of job performance.

Section 13.11 – Education Reimbursement

A. Employees and their dependents may take credit courses at HCC without paying tuition and fees. The maximum credit hours for employees are six (6) per semester.

B. Employees attending any accredited college in pursuit of an undergraduate bachelor's degree or a graduate degree, or an approved professional certification program will be reimbursed for actual tuition paid, not to exceed \$1,200 per semester for undergraduate courses and \$1,800 per semester for graduate courses, and up to \$1,200 upon completion of certification course, provided:

1. The employee is working toward a degree or professional certificate that is needed to increase, develop, and renew skills associated with their current position, and to meet the needs of the college.
2. The course work or certification program has been approved in

advance as provided by College Administrative Procedures. Work schedule modification must be approved by the Campus President, appropriate Vice President, or designee. Such approval shall not be arbitrarily denied.

3. The employee earns a grade of "Satisfactory" or "C-" or better in pursuing an undergraduate degree, or a "Satisfactory" or "B-" or better if pursuing a graduate degree. In certification programs, the employee must complete 100% of the coursework or submit an official certificate of completion. The maximum reimbursement under this Section is \$1,200 for undergraduate courses and \$1,800 for graduate courses per semester. The stipend amount may not exceed the actual cost and amount paid of the courses. The maximum reimbursement to SEIU bargaining unit employees under this Section for the three bargaining units combined shall be \$60,000 per fiscal year. Once approved under the provisions of "B" above, the employees represented by SEIU, shall be awarded funds on a first-come, first-serve basis. Distribution of funds shall be limited to 60% for fall semester and the remaining may be used for spring semester.

Section 13.12 – Miscellaneous

A. The Board shall pay for the costs of tests, licensing and certifications that are listed as required for employee's position and which when passed or acquired continue to support the college or the department's mission toward continued student success.

B. All employees who are required to wear uniforms as part of their job shall be provided such uniforms by the College. Maintenance of uniforms will be the employee's responsibility.

C. The following information shall be contained on each employee's pay stub

or electronic pay advice: the number of regular hours worked and regular pay earned, overtime worked and overtime pay earned, compensation time earned and used; the employee's current rate of pay, a complete description of all deductions made from the paycheck (including taxes, union dues and other authorized deductions) and the employee's current leave balances.

D. All current employees shall have the option of direct electronic deposit of their pay into a bank or credit union mutually agreed upon. Employees hired after the execution of this Agreement shall be required to have direct deposit of their pay.

E. Authorized travel for employees of the Board shall be reimbursed at the current State of Florida rate.

F. When a payday falls on a holiday, checks due for time worked through the end of the pay period preceding the holiday will be issued on the last work day before the holiday.

Section 13.13 – Overtime Distribution

The College will make a reasonable effort to equitably distribute the overtime to employees by campus by job classification among those who normally perform the work during the normal workday and will try to do so on a voluntary basis. However, the College and its employees recognized that it is counterproductive to the safety of both parties for employees to work excessive overtime. Employees working back-to-back shifts shall be limited to one back-to-back shift in any 48 hour period. If sufficient employees will not accept overtime to comply with this rule, the College shall have the right to require employees within a given classification to work overtime if called. Failure to accept overtime as assigned shall be grounds for discipline up to and including termination. If

holdover overtime is required, the College has the right to assign the overtime work to the employee who performs that work during the regular workday. There shall be no pay for time not worked under this Section.

If an employee is to be mandated overtime or held over for any period, he/she will be given at least 4 hours notice prior to the beginning of the mandated shift.

ARTICLE 14**INSURANCE/ RETIREMENT****Section 14.1 – Insurance**

A. Periodically, the College President appoints an Insurance Committee to review the medical, dental, life, and long-term disability insurance. The Committee makes recommendations to the College President concerning insurance. In recognition of the fact that all College employees (those represented by the SEIU, those represented by FUSA, and all non-represented employees) are provided the same insurance coverage, the Union may appoint two members from each bargaining unit to the Insurance Committee. The College reserves the right to change carriers or change, modify, increase or eliminate benefits or modify contribution requirements during the term of this contract, provided that the same insurance coverage and employee contribution continues to be made available to all College employees. The opportunity to participate in the Insurance Committee fulfills the College's duty to impact bargain.

B. The Board agrees to pay a portion of the employee only premium cost for medical and dental insurance coverage with a responsible insurance carrier to the same extent the College pays the premium for non-represented employees. An employee may enroll dependents in a College medical and dental insurance plan, by paying the premium set for dependent coverage.

C. The College shall continue to allow any retired employee under the age of 65 and his/her dependents the option of remaining in the group insurance program at no cost to the College.

D. The College agrees to pay the premium costs for employee life insurance with a responsible insurance carrier to provide life insurance equivalent to the basic annual salary for each employee. The benefits and premium costs are subject to annual review and recommended modification by the Insurance Committee under Section 14.1(A) above. The employee may purchase optional life insurance coverage at the maximum amount allowed by the plan by paying the additional premium cost and adhering to the terms and conditions of the life insurance plan.

E. The College Administration agrees to provide a long-term disability plan with a responsible insurance carrier. The benefits and premium costs are subject to annual review and recommended modification by the Insurance Committee under Section 14.1(A) above. The employee must adhere to the terms and conditions of the long-term disability plan and may buy extra insurance under the terms set by the Plan.

F. Coverage of an employee under the Board-approved insurance programs shall commence and terminate in accordance with the terms and conditions of the insurance programs. Eligibility and benefits will be as set forth under the applicable insurance contracts.

Section 14.2 – Medical and Dependent Care Assistance Plan

Employees covered by this Agreement shall be entitled to participate in a plan whereby pre-tax income can be set aside for the payment of employee medical costs and dependent costs, pursuant to Section 125 of the U.S. Tax Code.

ARTICLE 15**ADMINISTRATIVE LEAVE AND LEAVES OF ABSENCE****Section 15.1 – General**

A. In all cases where leave needs are known in advance, the employee shall notify his or her immediate non-bargaining unit supervisor of the dates when leave is to be taken and of the type of leave requested. The supervisor shall acknowledge receipt of the notice in writing and in cases where permission is needed to take the leave, shall respond in writing to the employee within three (3) work days of receipt of the request or within three (3) work days of a Board decision on the leave if the leave is within the Board's discretion.

B. All leave may be taken in one-quarter (1/4) hour increments.

C. The College will strive to meet all reasonable leave requests in a consistent manner. While operational needs are to be considered, the College agrees to make the use of all applicable leave time available to employees when that leave is requested.

Section 15.2 – Administrative Leave

Extension of administrative leave beyond the original time frame must be approved by the President. If the leave is without pay and is disciplinary in nature, the cause for the leave is subject to the Grievance and Arbitration Procedure.

Section 15.3 – Injury in the Line of Duty

A. An employee injured on the job will be paid his/her regular salary (37.5 hours pay for non-exempt) for the first seven (7) calendar days of such leave. If the employee is subsequently paid for the first seven (7) calendar days by the workers' compensation carrier, the employee will endorse those payments to the College.

B. Once the employee begins receiving workers' compensation wage benefits, the employee may request the College to pay the remaining portion of his/her salary (*i.e.*, an amount in excess of the two-thirds pay the employee receives from workers' compensation), so that the employee receives a total weekly pay that approximates the net pay (*i.e.*, gross pay less deductions) the employee received prior to the receipt of workers' compensation. Absent extenuating circumstances, the employee will receive 7.5 hours pay per week under this Section. Beginning with the 15th calendar day of such leave, the employee's sick leave account, or if the employee has no sick leave, then vacation leave or compensatory leave account, will be charged with the number of paid hours under this Section.

C. All workers' compensation, including the amount of pay, will be paid as determined and provided by state law.

D. Any employee desiring to continue any employee paid benefit while on workers' compensation leave must make arrangements with the College to pay the costs of the benefits.

Section 15.4 – Jury or Witness Duty Leave

A bargaining unit employee who is required to serve jury duty or who receives a subpoena and is required to miss work as a result of complying with the subpoena, will be

granted an administrative leave with pay, except as otherwise provided in this Section.

A. The employee will submit a request for administrative leave for court purposes to the immediate supervisor.

B. The Board will not reimburse an employee for meals, lodging, or travel expenses incurred while serving as a juror or as a witness. The employee will retain any jury duty fees.

C. Normally, witness fees will be retained by the employee. If an employee will receive expert witness fees or consulting fees for any appearance under this Section, a vacation leave, a personal leave with pay, or a personal leave without pay must be requested.

D. An employee who is a party in a non-College related lawsuit may not request administrative leave with pay for court purposes or for the prosecution or defense of a lawsuit. The employee may request vacation leave or personal leave.

Section 15.6 – Family and Medical Leave

The employees and the College's and Board's rights and obligations under the Family Medical Leave Act will be determined by statute, applicable regulations, and court interpretations under the Act. The Board Administrative Procedure applicable to employees will be the same as the procedure applicable to all non-represented employees.

Section 15.7 – Personal Leave Without Pay

Employees may request a personal leave of absence without pay for up to one (1) year. If for medical reasons the employee must have used all accrued sick leave, banked sick leave and vacation leave. If for non-medical reasons, the employee must have used all accrued vacation leave. The granting of such leave is within the discretion of the College. Any leave of absence in excess of thirty-one (31) consecutive days, but no more than twelve (12) months, must have the prior approval of the appropriate Campus President and the College President. Any extension of a personal leave of absence without pay beyond the original leave is subject to approval of the College President.

Section 15.8 – Professional Leave

Professional leave, if granted, is primarily for the professional benefit or the advancement of an employee. The granting of such leave is within the sole discretion of the College. If granted, it may be with or without pay. Requests for professional leave will

be made consistent with current administrative procedures.

Section 15.9 – Personal Leave

Employees may request up to four (4) days (30 hours) of personal leave each fiscal year for personal reasons. Personal leave days will be charged to sick leave accrual. Personal leave days are non-cumulative.

The total number of accrued sick days per year will not exceed twelve (12) days. This shall not apply to former employees rehired within one (1) year. If rehired after one (1) year, the employee shall receive a credit of three (3) days of sick leave; if rehired after two years, the employee shall receive a credit of six (6) days; and after three years or more, the employee shall receive a credit of nine (9) days.

B. When an employee finds it necessary to be absent, the employee will notify the immediate supervisor prior to the employee's scheduled starting time. The employee will submit a request for sick leave form to the immediate supervisor on the first regular workday of return from personal sick leave if the notice was not requested prior to the start of sick leave (*i.e.*, for pre-scheduled surgery or bereavement leave under paragraph A).

C. A written doctor's certification of illness or injury may be required for all sick leave in excess of three (3) consecutive days or at other times in which there is reasonable suspicion of the abuse of sick leave. The College, at its own expense, may require a second medical opinion.

D. Sick leave hours will be cumulative from one year to the next.

E. The College may, at its option, accept accumulated sick leave from qualified public sector institutions within the State of Florida, provided at least one-half of the sick leave accumulated at any time must have been established at HCC. To be eligible, an employee must provide certification from the specific institution to determine if accumulated sick leave is transferable to the College.

F. Sick leave may not be used to extend employment in an employee's separation process, unless the employee otherwise qualifies for sick leave as supported by appropriate medical documentation.

ARTICLE 17

Section 17.1 - Accrual

Regular, full-time employees shall earn vacation leave with pay based on the following accrual rate:

E. If as a result of (a) through (d) above, the employee exceeds the 44-day (330-hour) maximum on December 31, to the extent the employee's vacation accrual exceeds the maximum accrual as a direct result of (a) through (d) above, the employee will be paid only for those hours or days. In general, the sequence of discipline shall be as follows: counseling memo; written warning; suspension without pay; or discharge.

A counseling memo is given when an employee's actions or performance need to be improved.

A written warning is normally issued after an employee has failed to respond to counseling memo(s) for the same type of offense. It is understood by the parties that employees are not entitled to more than one warning for the same offense before moving to suspension without pay.

Suspension without pay is normally taken when an employee has failed to respond in a satisfactory manner and time to a prior written warning. Suspensions without pay will not exceed five (5) working days.

In imposing progressive discipline on a current charge, or when considering termination, the College will not take into consideration any prior infractions or past

It is understood by the parties that employees are not entitled to any particular number of warnings prior to the imposition of suspension or discharge and that where circumstances warrant, immediate suspension or termination with just cause may be utilized. In determining the appropriateness of discipline, the College shall consider the seriousness and frequency of offense(s); the employee's work performance; conduct and disciplinary record; attendance record; and any other factor relevant to fair and appropriate discipline.

Section 23.4 – Off Duty Conduct

An employee arrested or indicted for off duty conduct may be placed on leave with or without pay, depending upon the reason for the arrest or indictment(s) and the employee's job responsibilities with the College.

Nothing in this section prohibits the College from taking disciplinary action based on the same conduct for violations of the College policy and procedures regardless of any pending criminal matter or outcome of the criminal case.

EVALUATIONS

Section 24.1 – General

On an annual basis, supervisors will discuss job performance and conduct a formal evaluation with each employee under their direction. A copy of the evaluation will be given to the employee and a copy will be placed in the employee's personnel file. Employees may reply to such evaluations in writing within twenty (20) days and a copy of this reply shall be attached to the evaluation and placed in the employee's personnel file.

Evaluations may also be conducted at a time other than the employee's anniversary date if there is a significant improvement or deterioration in an employee's job performance.

Section 24.2 – “Needs Improvement or Unacceptable” Evaluations

If an employee is given an overall “Needs Improvement or Unacceptable” evaluation, the areas of unsatisfactory performance will be identified and a plan for improvement that lists the measures the employee must take to make their job performance satisfactory will be written and discussed with the employee. An overall “Needs Improvement or Unacceptable” evaluation will not result in a decrease in the employee's wage rate in effect at the time of the evaluation. Only the factual basis upon which the “Needs Improvement or Unacceptable” evaluation is based shall be subject to grievance/arbitration under Article 9. The grievance must be filed at Step 2 within twenty

Section 24.3 – Probationary Evaluations

During the month prior to the completion of an employee's probation, the employee's performance will be evaluated. If satisfactory, the employee will be removed from probation at the end of their probation. If the supervisor does not complete an evaluation before the end of an employee's initial or promotional probationary period, the employee shall be deemed to be performing satisfactory and be taken off probation.
