Section 2. Level II Adjunct Faculty

Faculty who have taught credit courses for two (2) major terms in two consecutive calendar years will be designated as Level II adjunct faculty. To be elevated to Level II, adjunct faculty must possess a terminal degree and have completed the College specified professional development course(s). All other adjunct faculty will be referenced as Level I adjunct faculty. Further, any Adjunct Faculty who has not taught for one (1) calendar year will be terminated unless a special exception is made by the College. If a previously terminated Adjunct Faculty reapplies to teach at the College, they will return to Level I Adjunct status.

Section 3. Compensation for Large Class Size

For credit classes with enrollment above 49 students, adjunct faculty will be assigned additional points, based on a three-credit 12-point class, according to the following chart. Classes with a base of other than 12 points will be adjusted proportionately. Class size will be determined by the number of paid students enrolled, as shown by the first class roll following the 100 percent refund date.

Section 4. Compensation for Small Class Size

Credit classes with low enrollment, which would normally cause a class to be canceled, may be prorated for reduced points or reduced hourly rate (as appropriate to meet departmental productivity) and offered to a bargaining unit member. If mutually agreeable, the course will be assigned for the reduced points. Faculty will be notified of the assigned points for the course in writing in advance of the beginning of the start of the course.

Section 5. Non-Credit Course Adjustment

Non-credit courses may have hourly rates and/or points adjusted by the Department Chairs based on enrollment, course content or other variables. No course shall have the hourly rate reduced or points reduced without the written consent of the faculty member. Other selected courses may have the hourly rates/points increased.

Section 6. Faculty Award

In appreciation of Faculty's commitment to educational excellence during the COVID-19 pandemic and for participating in training on pedagogy that fosters student success and/or restructuring course deliveries to meet the multiple modalities introduced to accommodate student learning, the college will provide to all eligible active faculty a one-time non-recurring award as follows:

• Faculty who complete by December 31, 2022, a minimum of three(3)
