ARTICLE 1 PREAMBLE

This Agreement is entered into by the City of Riviera Beach, Florida, hereinafter referred to as the "City" and the Service Employees International Union, hereinafter referred to as the "Union."

The general purpose of this Agreement is to set forth terms and conditions of employment and to promote orderly and meaningful labor relations for the mutual benefit of the City of Riviera Beach in its capacity as an Employer, the Employees, and the citizens of the City of Riviera Beach.

3.2 The City Council has sole authority to determine the purpose and mission of the City and all its employees and the amount of the budget to be adopted, and shall not in any way, directly or indirectly, be subject to the grievance procedure or arbitration.

3.3 If, in the sole discretion of the City Council, it is determined that Civil emergency conditions exist, including but not limited to, riots, civil disorders, hurricane conditions, or similar catastrophes, the provisions of this agreement may be suspended by the Mayor during the time of the declared emergency, provided that wage rates and monetary fringe benefits shall not be suspended.

3.4 It is understood by the parties that every incidental duty connected with operations enumerated in job descriptions is not always specifically described; and employees, at the discretion of the City, may be required to perform duties not within their job description in accordance with the provisions within this agreement.

ARTICLE 4: PROHIBITION OF STRIKES

4.1 The Service Employees International Union, or their member agents or designees, agree during the life of this Agreement that they shall have no right to engage in any work stoppage, slow down, or strike, or similar activities, which interfere with the operation and mission of the City Administration, the consideration for such provisions being the right to a resolution of disputed questions. The Employer shall have the right to a resolution of disputed questions. The Employer shall have the right to discharge or otherwise discipline any or all employees who violate the provisions of the section. Such disciplinary action by the City shall not be subject to any grievance or appeal procedure as provided for in this Agreement, except to the extent that there is a question of fact as to the employee engaging in the prohibited activity.

4.2 In the event of a strike, work stoppage, or interference as defined in the Public Employees Relations Act, Section 447.203 (6), with the operation and accomplishment of the mission of the City Administration, the President of the Union shall properly and publicly disavow such strike or work stoppage and order the employees to return to work and attempt to bring about prompt resumption of

normal operations. An authorized Union Representative shall notify the City within twenty-four (24) hours after the commencement of such strike, what measures it has taken to comply with the provisions of this Article.

4.3 The provisions of this article supersede any reference to the right to strike found in the International Constitution and bylaws of the Service Employees International Union.

ARTICLE 5: NON-DISCRIMINATION

The Employer and Union agree that the basic intent of this Agreement is to provide a fair day's work in return for a fair day's pay and to provide conditions of employment suitable to maintain a competent workforce. The Employer and the Union agree that all provisions of this agreement shall be applied to all employees covered by it and the Employer and the Union affirm their joint opposition to any discriminatory practices in connection with employment, promotion, or training, remembering that the public interest requires the full utilization of employees' skill and ability without regard to race, color, creed, national origin, sex, age, handicapped or veteran status.

ARTICLE 6: UNION STEWARDS

6.1 The Union, as representative of the employees in the bargaining unit covered by this Agreement, shall have the right to present its views to management on matters of concern either orally or in writing.

6.2 The City agrees to recognize the officers, chief steward, and stewards designated by the Union as agents of the Union. The Union shall furnish written notice to the City Manager's office of such Union office or stewardship prior to it becoming effective. The City recognizes the right of the Union to designate one (1) Chief Steward and five (5) Assistant Stewards from among the regular full—time unit employees. The Union will give priority to designating a steward from each department within the bargaining unit, to the extent feasible.

6.3 Officials for the Union, as designated hereinabove, may, with proper authorization, which will not be unduly withheld, be admitted on City property. Officials as designated above shall be able to talk with employees before or after regular working hours or during lunch of said employees on the City's property in areas mutually agreed on by the Union and the Employer.

6.4 Stewards shall be allowed reasonable time—off without loss of pay during their regular shift hours to investigate grievances; however, each will first obtain oral permission from his immediate supervisor or in his absence, the next level of supervision. Permission will not be unduly withheld by the supervisor.

6.5 The Union, its members, agents, representatives, or any person acting on its behalf are hereby prohibited from (1) distributing literature in work areas where public employees work,(2) soliciting or advocating support of an employee organization's activities during working time. Any employee shown to have violated any provision of this section shall be discharged by the City notwithstanding further provisions of the laws and notwithstanding provisions of any collective bargaining agreement.

6.6 UNION TIME POOL

Effective upon ratification by the parties, a member of the bargaining unit shall voluntarily transfer one hour for annual leave time per fiscal year into a Union Time Pool so that City Union representatives may remain in a paid status while on approved union leave. One (1) hour will be deducted from the said volunteer member's accrued annual or PTO (PAID TIME OFF) leave in the second pay period of October based upon written authorization by the employee. All authorization forms must be submitted collectively by the Union to the City in the first week of October. Leave shall be granted in order to attend union conferences, training sessions, or other related union business. The department director may approve leave time in advance. Pool time shall not be unduly withheld. All requests for the use of the Union time pool shall be submitted through and include authorization from the Union president if the absence is to be covered by payments from the Union time pool.

Charges against the Union Time Pool shall be documented by the use of a Union Time Pool authorization form to be completed for each request. At a minimum, the form will identify the name of the user, the number of hours requested, employee's current hourly rate, the purpose of the request, and the signatures of the employee, department director or designee and the Union President. A record of all time donated and drawn against the Union Time Pool shall be kept by the department director or designee and Union President and a detailed summary will be submitted on October 1 and April 1 or each fiscal year to the Human Resources Department.

6.7 Consistent with the accomplishment of the City's Mission, an officer or member of the SEIU may be granted extended periods of leave to engage in legitimate activities of SEIU. Such leave shall be arranged through and approved by the Union President and department director. The City agrees to pay an employee from the number of hours in the time pool at the employee's current daily rate for all time lost upon receipt of Union time pool authorization form.

**ARTICLE 7: DUES AND/OR COPE AND DISCONTINUATION OR
DEDUCTION**

7.1 Payroll dues deductions are no longer permissible under Florida Statute 447.303 as of July 1, 2023. In the event there is a change in applicable law, where all levels of appeal have been exhausted, and upon receiving written notice from the Union, the City will implement all provisions in this section within a reasonable time period (not to exceed 60 days) in accordance with payroll procedures. Upon the reestablishment of payroll deductions, the following provisions will be reinstated. Employees covered by this Agreement may authorize payroll deductions for the purpose of paying Union dues and/or deducting for contributions to the Committee on Political Education (COPE). Request for same must be on a prescribed form. No authorization shall be allowed for payment of initiation fees, special assessments, fines, penalties, or delinquent dues, except for union dues and COPE.

7.2 The Union will notify the City as to the amount of dues. This notice must state the weekly amount in dollars and cents for each individual member. Such notification will

be certified to the City in writing over the signature of an authorized officer of the Union at least thirty (30) calendar days in advance of the effective date. Changes in membership dues will be similarly certified to the city and shall be done at least thirty (30) calendar days in advance of the effective date of such change.

7.3 Dues will be deducted biweekly (each applicable pay period) and the funds deducted shall be remitted monthly to the treasurer of local SEIU within fifteen (15) days. The Union will indemnify, defend, and hold the City harmless against any and all claims, demands, suits, or other forms of liability that shall arise out of, or by other reason of action taken or not taken by the City on account of payroll deductions of Union dues. The Union agrees that in case of overpayment, proper adjustment, if any, will be made to the affected employee by the Union.

7.4 The following form shall be used for the Union Dues Authorization for deduction and authorization of COPE deductions.

ARTICLE 8: BULLETIN BOARDS

8.1 The Union shall be provided bulletin boards or partial use of bulletin boards for the posting of the Union business. The Union shall have at least one bulletin board or partial bulletin board at each location so designated by the City in the areas where unit employees normally are assigned to work. These bulletin boards shall be used for posting authorized Union notices, but restricted to the following:

- a. Notices of Union recreational and social affairs;

- b. Notices of Union elections and results of such elections;
- c. Notices of Union appointments and other official Union business; and
- d. Notice of Union meetings.

Copies of all notices posted on the bulletin boards shall be sent to the City Manager's office.

8.2 All other information, including any notices containing any information other than purpose, date, time, and place, may be posted on such designated areas only upon the approval of the City Manager's office.

All costs incident to preparing and posting of Union materials will be borne by the Union. The Union is responsible for posting and removing approved material on its bulletin boards and for maintaining such bulletin boards in an orderly condition.

ARTICLE 9: GRIEVANCE PROCEDURE

9.1 It shall be the policy of the City of Riviera Beach, Florida, to provide a procedure for the presentation and resolution of grievances or misunderstandings which may arise from the application or interpretation of this Agreement between employees and their supervisor, and to assure employees that their problems and complaints will be considered fairly, honestly, and without reprisal.

9.2 The primary purpose of the grievance procedure is to determine what is right rather than who is right. Free discussion between employees and supervisors will lead to a better understanding by both parties of the practices, policies, and procedures which affect employment. It will also serve to identify and help eliminate

conditions which may or conceivably have caused misunderstanding and grievances.

The purpose is defeated if a spirit of conflict enters into the consideration of a grievance. Supervisors and employees alike must realize and recognize the true purpose of a grievance procedure, if such procedure is to have value in promoting the wellbeing of the City Service.

9.3 A grievance is defined as a complaint arising out of an alleged violation concerning the application, interpretation, or compliance with the provisions of this Agreement.

9.4 No employee or group of employees may refuse to follow directions pending the outcome of a grievance. Employees in the bargaining unit will follow all written and verbal directions, even if such directives are allegedly in conflict with the provisions of this Agreement. Compliance with such directives will not in any way prejudice the employee's right to file a grievance within the time limits contained herein, nor shall compliance affect the ultimate resolution of the grievance. For the purposes of this article, the term "business days" shall mean employee's workday Monday through Friday, exclusive of Saturday, Sunday, and holidays recognized by this agreement. Moreover, the filing of a grievance shall in no way interfere with the right of the City to proceed to carry out its management responsibilities, subject to the final resolution of the grievance.

9.5 Grievance discussions in the various steps will be conducted during regular business hours. The employee and the steward may request time to appeal a grievance to a higher step. The grievant and stewards shall suffer no loss of pay or benefits in processing grievances through the various steps. Their immediate

supervisor will grant the opportunity so long as it does not interfere with work operations.

9.6 Grievance time limits shall be strictly observed; however, they may be extended for good and sufficient reason by mutual agreement of the Union and management. The date of disposition shall be the dates in which the immediate supervisor or other management official delivers the disposition to the Union or grievant, whichever is appropriate, or the date of postmark in those instances where delivery is by U.S. Mail. All grievance statements of appeal and answers after step 1 must be in writing. Grievances not appealed to the next higher step within the prescribed time limits will be considered settled on the basis of the last answer by management. Failure of the City or its representatives to observe timelimits for any step of the grievance procedure shall entitle the Union or grievant, whichever is appropriate to proceed to the next step in the grievance procedure. An employee will not be allowed to proceed to arbitration without the Union unless the Union refuses to represent the grievant solely due to the grievant's lack of membership in the Union. The Union must notify the grievant and City of its refusal for this reason.

9.7 The commencing of a legal proceeding against the City in a court or equity or before the Public Employees Relations Commission, or any other administrative agency, by an employee or the Union, for misapplication or misinterpretation of the terms of this agreement, is deemed an election of remedy and shall be deemed a waiver by said employee or the Union of its/their right to resort to the grievance and arbitration procedure contained in this Agreement.

9.8 WITHDRAWAL OF GRIEVANCE

A grievance may be withdrawn by the aggrieved employee at any time and at any step of this procedure and may not be resubmitted at a later date.

9.9 UNION GRIEVANCE AND APPEAL PROCEDURE STEPS

Step 1. Within ten (10) business days of the incident, an employee or the Union during regular business hours may initiate a written grievance with the employee's supervisor involved in the grievance and verbally discuss the grievance with the employee's supervisor. Either party may have the Union Steward present if they desire. The discussion will include the substances of the grievance, a description of the action requested, the basis for the request, and the specific provision or provisions of this agreement which have been violated. Any grievance not conforming to the provisions of this paragraph shall be denied and not eligible to advance through the steps of the grievance procedure, including arbitration. Within ten (10) business days, the Supervisor will provide written notification to the employee of the supervisor's decision.

Step 2. If the grievance is not resolved in Step 1 within ten (10) business days, the employee or Union, whichever is appropriate, may appeal to Step 2 by submitting his complaint or grievance in writing to the department Director on a form mutually agreed to by the parties. The department Director will investigate the alleged grievance and if necessary, will conduct a meeting with the aggrieved employee, the Union Steward, and the initial supervisor involved. Within ten (10) business days of the Department Director's receipt of the written grievance, the department director will give an answer in writing. Information regarding resolved

grievances during Step 1 or Step 2 will be forwarded to the Director of Human Resources for filing.

Step 3. If the grievance is not resolved at the department director's level, the Union may appeal within ten (10) business days, and in writing to the Director of Human Resources. Within twenty (20) business days of receipt of said written grievance appeal, the Director of Human Resources will answer in writing the grievance and return a copy of the findings to the employee and the Union.

Step 4. If the grievance is not resolved at the Department of Human Resources level, the Union may appeal within ten (10) business days, and in writing to the City Manager's office. Within ten (10) business days of receipt of said written grievance appeal, the City Manager has the discretion to meet with the grievant, the Union steward, International or State representatives, and departmental management to discuss and seek a solution to the grievance. The City Manager within twenty (20) business days of first receipt of grievance will answer in writing the grievance and return a copy of the findings to the employee and the Union.

Step 5. In the event that a grievance or dispute relating to the meaning of an application or interpretation or compliance with the provisions of this Agreement is not settled under the foregoing steps of the grievance procedure, such dispute may be referred by either party to an impartial Arbitrator to be appointed by mutual agreement of the parties. However, if the City Manager does not agree that the matter is arbitrable, notification shall be sent to the Union of such, within ten (10) business days of receipt of the Union's request to proceed to arbitration. The parties

agree that in such an instance, the arbitrator selected to hear the grievance will first consider the question of arbitrability of the grievance.

If there is no objection by either party to the arbitrability of the grievance, and the above-mentioned procedure has been fully complied with or results in a determination that the grievance is arbitrable, the parties shall proceed immediately (the same day as the arbitrability hearing and before the same arbitrator) to arbitrate the grievance.

In case the City and the Union are unable to agree upon the impartial Arbitrator within fifteen (15) business days after the conclusion of Step 4, then on application of either party, petition may be made to the Federal Mediation and Conciliation Service in Washington, DC, to supply the parties a panel of arbitrators.

The parties will select an arbitrator from the panel by alternately striking names from the panel. The remaining arbitrator shall be designated to hear the unsettled grievance.

Any impartial arbitrator designated hereunder, to whom any grievance or dispute shall be submitted shall have the jurisdiction and the authority to apply and interpret the provisions of this Agreement insofar as may be necessary to the determination of such grievance. The arbitrator shall not have jurisdiction or authority to alter or change in any way the provisions of this agreement. The decision of the arbitrator on any matter within the arbitrator's jurisdiction shall be final and binding on the Union, the City, and the employees covered by the agreement. The expenses and fees of the arbitrator shall be paid by both parties equally.

9.10 All eligible employees shall have the right of appeal, either through the negotiated grievance procedure contained herein, or the City Civil Service Appeals procedure, but not both, provided the matter is grievable under this contract. Further, an employee that desires to file a grievance must indicate in writing his preference as to appeals procedures.

ARTICLE 10: REPRESENTATION OF THE UNION

The membership of the Union shall be represented by the President of the Union or by a person or persons designated in writing to the City Manager by the president of the Union. The identification of representatives shall be made each year prior to April 1st. The president of the Union, or the person or persons designated by the said president, shall have full authority to conclude a collective bargaining agreement on behalf of the Union subject to the majority vote of those employees voting on the question of ratification. It is understood that the Union representative or representatives are the official spokesperson of the Union for the purpose of negotiating with the City. Such negotiations entered into with persons other than those as defined herein, regardless of their position or association with the Union, shall be deemed unauthorized and shall have no right or authority in committing or in any way obligating the Union. It shall be the responsibility of the Union to notify the City Manager in writing of any changes in the designations of the president of the Union or of any certified representative of the Union.

ARTICLE 11: BASIC WORK WEEK AND OVERTIME

11.1 The basic workweek shall consist of forty (40) hours unless otherwise specified. Departmental management will establish the basic workweek and hours of work best suited to meet the needs of the department and to provide superior service to the community. Nothing in this agreement shall be construed as a guarantee or limitation of the number of hours to be worked per week.

Communications operators may work an eight (8) hour or twelve (12) hour work shift or any other assigned hourly shift as determined by the department. Whether assigned an eight (8) hour or twelve—hour shift to work, Communications Operators will bid assigned shifts by classification seniority.

When Communications Operators are assigned a twelve (12) hour work shift, Management shall determine a choice of shift time which shall be determined by a majority vote of the Communications Operators. Prior to the implementation of the twelve (12) hour work shift, the department will provide a 30-days' notice to the Union and employees.

Whether the employee works an eight (8) hour or twelve (12) hour work shift, a volunteer standby list will be established by pay cycle where employees may volunteer to be on standby one or more of their days off. In a two (2) week pay cycle, the twelve (12) hour shift work will consist of three (3) days of 36 hours for the first week and four (4) days or 48 hours in the second week. Employees who are on standby will receive compensation according to Section 7 or this Article.

Shift bidding shall occur twice a year in January and July. Employees shall bid shifts by classification seniority.

Emergency replacement including but not limited to, declared emergency and or civil disorder shall be processed in the following order:

A. Contract part-time employees

B. Draft personnel based on an inverse seniority system starting with the person with the most time off. In this connection, the drafter employee will receive two hours call—out in addition to all hours worked.

Communications operators will receive a one (1) hour lunch period and two (2) 15-minute breaks while working the twelve (12) hour work shift. The City will provide the Union and employees with a 30 days' notice prior to changing work schedules.

11.2 All authorized and approved work performed in excess of forty (40) hours in any one work week shall be considered as overtime and shall be paid at the overtime rate of one and one—half times the employee's straight time rate of pay.

11.3 Supervision will provide notification to first shift employees of overtime to be worked on a daily basis no later than the noon hour of the day the overtime is to be scheduled. Those employees who work the second shift and third shift and are required to work overtime will, where possible, be provided notice of the overtime at least four (4) hours prior to the end of their shift. Notification of weekend overtime to be worked shall be made the previous Thursday. Exception of this rule shall be for emergency services beyond the control of the City. In the selection of an employee to be assigned overtime, the needs of the City shall be the most important consideration. Supervision shall make every reasonable effort to distribute such assignments to provide the

opportunity for overtime to those full—time employees within a division or department (only in those departments which have no division) who are qualified for the assignment and who are in the classification needed to perform the overtime assignment. Full time qualified employees who are in the classification needed to perform the overtime assignment will be the first assigned to such overtime. In the event, the need for overtime assignment exceeds the number of qualified employees in the required classification, supervision may assign other full-time employee(s) to do the overtime work.

11.4 Where a department has a seven (7) day continuous operation, employees will have two (2) consecutive days off, where possible, after completing their regularly scheduled five (5) day work week.

Management may determine a choice of workweek and shift time (e.g., a four-day, 10-hour workweek) which is implemented after consultation with affected employees and the Union.

Irrespective of the foregoing, the employees in the classification of Water Plant Operator, shall have a ten (10) hour, four (4) day work week. Operators will have three (3) shifts. First shift will begin morning hours, second shift will begin afternoon hours, third shift will begin evening hours Employees will bid their shifts by classification seniority and rotate shifts once a year also bidding by classification seniority; however, Communications Operators will bid their shifts by classification seniority twice a year as provided in Section 1.

Employees in the classifications of water plant operator and security guards who work the third shift, shall receive a five percent differential pay. Employees in the classification of Communications Operators, who work the second shift, shall receive a five percent (5%) differential pay.

11.5 For the purpose of overtime computation, holidays, PTO (PAID TIME OFF), vacations and the time spent by employees attending required (for the purpose of upward mobility) continuing education course/training required to maintain or secure required license/certification necessary to perform their duties, shall be considered as time worked. Compassionate leave, jury duty, annual military leave, and other absences from duty on active pay status shall not be considered as time worked for purposes of overtime computation.

11.6 Employees shall be required to work overtime as directed unless excused by their supervisor. In the event any employee in the unit is required to work approved overtime, employees will not be required to use PTO (PAID TIME OFF) leave nor be placed in a "leave without pay" status during the basic work week in order to compensate or offset the overtime hours worked or to be worked.

11.7 STANDBY ASSIGNMENTS: This section is inactive for the length of this agreement, unless the City Manager expressly reinstates standby assignments with notification to the Union. Stand-by time in order to provide coverage for services during off-duty hours, it may be necessary to assign and schedule certain employees to stand-by duty. A stand-by duty assignment is made by a department director, directed by the City Manager who requires an employee, on his off-duty time, which may include nights, weekends, or holidays to be available for work due to an urgent

situation. Employees assigned to stand-by duty by their department director are guaranteed stand-by pay of thirty-five dollars (\$35) per day of stand-by time assigned and scheduled.

For pay purposes, actual time worked starts at the time of notice and ends when the employee returns home. Stand—by pay shall be paid at the regular rate and not considered in computing overtime unless the total hours worked in a work week exceeds forty (40) hours.

11.8. Employees shall not be assigned to stand-by duty if excused in advance by management. The department will seek volunteers, whenever possible, consistent with equitable distribution of stand—by time within work area, classification, and shift, and consistent with skill and ability. In the event volunteers are not available, the qualified employee(s) with the least amount of stand—by time shall be required to take the assignment in order to maintain effective, proper, and superior service to the community.

11.9 CALL BACK * Article 11, Section 9 moved from Article 23, Section 3.

In the event an employee is called back to work outside their regular work schedule, the employee shall receive minimum of three (3) hours pay at the rate of time and one—half (1—1/2) if over forty (40) hours in a week, less sick time or other non-compensable time.

Proof of relationship to the employee must be submitted in the form of an obituary or funeral notice/program.

Five (5) days shall be granted if the employee is in attendance at the funeral and such funeral is held out of the State of Florida.

15.3 An employee granted a leave of absence must keep the department informed, every month of the current activity (school, medical, military, etc.). In addition, the employee must keep the department advised of their current address at all times.

15.4 An employee granted a leave of absence and who wishes to return before the leave period has expired, shall be required to give the department director at least two (2) weeks' notice. Upon receipt of such written notice, the employee must be permitted to return to work.

15.5 An employee granted leave of absence shall, upon the termination and/or expiration of the leave, return to the job classification and rate of pay held at the time of going on leave. Failure to return to work on the scheduled date shall result in termination unless an extension of the leave is approved prior to the return date by the City Manager.

15.6 Group life and hospitalization insurance coverage may be continued for a maximum period of ninety (90) days while on authorized leave of absence, provided premium payments are kept current by the employee.

Leave with pay shall be authorized for full-time employees in the classified service who may be required to perform jury duty. Employees who perform jury duty and are released by the Court during the first half of their regularly scheduled workday are expected to report to work when excused or released by the Court.

If an employee is called for jury duty, the employee shall promptly notify the immediate Supervisor within five (5) days of receipt of the notice of jury duty or within five (5) days of appearance pursuant to the notice of jury duty.

The employee must provide the department director or immediate supervisor with proof of jury duty before compensation is approved.

The parties acknowledge that the performance of jury duty may affect an employee who is required to return to work. Depending on the assigned shift, factors such as sleep deprivation may affect the employee's performance. Management, upon a request by an employee, may release the employee from duty after the employee has reported to work.

ARTICLE 17: SENIORITY, PROBATION, AND REDUCTION-IN-FORCE

17.1 City Seniority is understood to mean an employee's most recent date of re-employment. Seniority will continue to accrue during all types of leave except Leave Without Pay for more than thirty (30) calendar days which shall cause this date to be adjusted for an equivalent amount of time. Leave without pay for periods of less than thirty (30) days shall not cause the City seniority date to be adjusted.

City Seniority shall be used for the purpose of computing vacations, service awards, and other matters based on length of service.

17.2 Classification seniority shall be understood to mean length of time in the classification. After successful completion of the probation period, length of time in classification reverts to the date of entry, transfer, or promotion to the present classification. Seniority will continue to accrue during all types of leave except for leave without pay of thirty (30) calendar days or more which shall cause this date to be

adjusted for an equivalent amount of time. Leave of absence without pay for periods of less than thirty (30) calendar days shall not cause the classification seniority date to be adjusted. Classification seniority shall be used in conjunction with job classification for the purpose of lay-off and consideration for promotion.

17.3 All newly hired and promoted employees shall be placed on probation for the first one hundred eighty (180) days in the classification. All employees on initial probationary status (new employees) shall be eligible for membership in the Union but shall not be entitled to the benefits outlined in this Agreement with the exception of holiday pay and insurance coverage when eligible. However, newly hired probationary employees shall accumulate one (1) day PTO (PAID TIME OFF) leave each month during the probationary period. Initial probationary employees will not be eligible to utilize accumulated PTO (PAID TIME OFF) leave during their probationary period. At the conclusion of their probationary period, employees will be eligible to use accumulated PTO (PAID TIME OFF) leave.

17.4 Employees shall lose their seniority as a result of the following:

- a. Voluntary termination;
- b. Retirement;
- c. Termination for just cause;
- d. Lay-off exceeding one (1) year;
- e. Failure to report to the department head intention of returning to work within five (5) days of the return receipt verification in cases of recall; or
- f. Failure to return from Military Leave within the time limits prescribed by law.

17.5 In the event of a layoff, the City of Riviera Beach will notify the employees and the Union, whenever possible, ten (10) days prior to the effective date of the layoff. A copy of the layoff notice along with the up-to-date classification seniority list will be sent to the Union.

a. Classification seniority shall apply in layoffs and promotions within the classifications on a City-wide basis. If an employee is displaced due to classification seniority during a layoff, an employee may exercise their City seniority to secure a job for which they are qualified within the bargaining unit of the SEIU Union on a City-wide basis.

When an employee moves into a classification that they never held through a reduction-in-force, the employee becomes the junior employee in the new classification.

When an employee moves into a previously held classification through a reduction-in-force, the employee reverts to classification seniority.

An employee who is displaced through a reduction-in-force, who moves into a lower paid position with the City, shall suffer no loss of pay, but shall have their pay red circled and shall receive no increases (except across-the-board cost of living or general wage increases) until such time as increases to the lower pay scale causes the employee to receive a wage increase.

Under this Agreement, when reduction-in-force is necessary, probationary employees in the affected job classification will be laid off first and shall be recalled

only after all regular employees in the affected job classification have been recalled. Probationary employees within a classification will be first laid off and regular employees in that classification who may be subject to layoff may displace a probationary employee in any other classification, provided the senior employee is capable of performing the work of the probationary employee who the employee is replacing.

b. In the case of a reduction-in-force in a department, a higher classification employee with higher classification seniority may, as the employee's own option and if qualified, replace an employee with less classification seniority in a lower classification at the lower classification salary schedule.

17.6 Recall employees in layoff status will retain recall rights for one (1) year and shall have preference to work over applicants on eligible lists. Recall will be made by certified mail to the last address and email address in the employee's records; however, the City has, and assumes, no liability for the email transmission. Within five (5) workdays of the certified receipt date, recalled employees must signify their intention of returning to work to the Department of Human Resources.

a. Recall will be offered to laid-off employees provided they are physically qualified to perform the duties of the job. A laid-off employee, when offered recall, who is temporarily unable to accept due to medical reasons, may request a leave of absence not to exceed thirty (30) days.

b. When employees are recalled from layoff because of an increase in order, the employee with the greater classification seniority shall be recalled in the reverse order they were laid off.

17.7 Provisions for applying for promotion to open positions: Notice of a vacancy in an existing position or in a newly created position shall be posted at places accessible to employees City-wide for a period of (5) days. Such notice will set forth the title of the position to be filled, hours of work, and rate of pay. Both the City and the Union recognize and encourage the promotion of the City employees to existing vacancies.

a. Applicants from the City desiring to fill such a vacancy shall apply in writing to the Department of Human Resources. If the position requires a Civil Service Examination, the applicant will take the examination at the prescribed time and place. The position will then be filled as prescribed in Sections 2-83 through 2-85 of the City Code of Ordinance. If the position does not require a Civil Service Examination, the position will be filled on the basis of ability, fitness, and seniority. Any bargaining unit member who meets the minimum qualifications for the position and applies for a vacancy, scores at least eighty (80) on the City's job knowledge survey shall be guaranteed an interview.

b. In the event a vacancy occurs in a department where an employee once held the vacant position, but due to a reduction-in-force, was obligated to take a job in the department at a lower classification, the employee will be given first consideration for the vacancy within the first six (6) months following the reduction-in-force.
