ARTICLE 22 DISCIPLINE AND DISCHARGE

22.1 Disciplinary action shall be impartially and consistently administered and, except for oral warnings, is to be in writing. Discipline shall not be administered without proper cause. Disciplinary action where leave use is a concern will be in accordance with the Utilization of Leave-Guidance Document negotiated and agreed to by the Union and the City of Orlando in this contract. (See Appendix B).

The City may remove an employee from duty (and pay status) pending the outcome of an investigation ~~on~~ for violations of any major offenses as described in Article 22.2 (Discharge).

~~The~~ All investigations of alleged disciplinary violations shall not exceed 30 calendar days one (1) calendar year from the issuance of the notice of the investigation unless there are extenuating circumstances, or it is agreed upon by both the Union and the City.

22.2 Notice of disciplinary action or pending action must be made within ten (10) working days of the supervisor's knowledge of the reported incident, which caused or could cause discipline. If an extension of time is needed the party desiring the extension will notify the other party in writing and other party must agree in writing. The notice of disciplinary action or pending action shall include the particular contract provisions and/or City policies allegedly violated. If further violations not listed on the notice are discovered during the investigation, the employee will be made aware. The City shall notify the employee in writing when an investigation has been concluded.

Prior written disciplinary actions will remain as the basis for progressive discipline as follows: The effectiveness of a written reprimand will be for a period of one (1) year commencing with the date it was last referred to in the formal disciplining process. Prior suspensions will remain effective for a period of three (3) years for the basis of progressive discipline. Oral warnings shall normally be effective for a period of ninety (90) days.

Progressive disciplinary action (oral warning, written reprimand, suspension without pay, demotion, and termination) will be followed. However, the nature and seriousness of an employee's offense will be of primary importance and could result in demotion, suspension, or termination without previous oral or written warnings.

Oral Warnings:

Are given for minor, infrequent offenses.

SEIU FPSU - City of Orlando: Union Proposals 10/22/2025

Written Reprimands:

Are normally issued after an employee has failed to respond to oral warning(s) for the same type of offense or for a more serious offense that does not, in the opinion of the supervisor, warrant suspension, demotion or discharge at that time. ~~The City shall notify the employee in writing when an investigation has been concluded.~~

Suspension Without Pay:

Is normally taken when an employee has failed to respond in a satisfactory manner and time to a prior written warning or for a serious offense that, if the employee's performance or behavior remains substantially unchanged or the offense is repeated, termination will follow. Suspensions without pay will not exceed five (5) working days except in cases where an employee is suspended pending an investigation, which could lead to his/her immediate termination. No employee will normally be suspended until the grievance procedure has been completed at the third step except in cases where discharge may be imposed as per section 22.3 (Discharge) or when determined by the City that extraordinary circumstances warrant immediate suspension.

Instead of a suspension without pay, an employee may elect an appropriate deduction from accrued personal leave. Such a charge will have the same weight as a suspension without pay for progressive discipline purposes. Such election will not be available in cases involving investigations, which could lead to termination or incidents involving physical or oral confrontation or harassment.

Demotion:

May be administered, as a disciplinary action when an employee gives evidence of lacking the skills necessary to satisfactorily perform the duties of a position but who may, in all likelihood, be successful in some less-demanding position.

Discharge:

Will be imposed if an employee has failed to respond to prior progressive disciplinary action or has committed a major offense. Major offenses may include, but are not limited to, the following examples:

- 2) Willfully or negligently damaging, destroying, or misusing City property.

22.3 In relation to Article 22.2, employees are subject to such examinations as may be required by the City to determine if they are under the influence of alcohol, or may have been using or possessing unlawful, controlled substances or non-physician prescribed drugs. An employee may be subjected to a polygraph examination designed to determine the truthfulness of his/her response only with the employee's consent. Since employees have the right to refuse to submit to a polygraph test, no reference will be made in any discipline or grievance document/proceeding concerning the employee's refusal. Polygraph information may not be used for disciplinary purposes without corroborating evidence. Employees will be required to answer truthfully all polygraph questions asked of them. Reports of such tests and/or examinations will be made part of the investigative files. All other available electronic and photographic evidence of any sort may be used for disciplinary purposes. Assessment for damage to City property and equipment caused by City employees shall be pursuant to City Policy and Procedure 440.4, shall be in addition to any other disciplinary action and shall not be subject to grievance and arbitration.

22.4 Disciplinary action by the City shall take effect as agreed in this contract and remain in effect unless and until modified by the resolution of a grievance filed as a result of the disciplinary action.
